SIR,

Subject —

In forwarding herewith the records relating to the acquisition of a portion of S.No 55 (bagayat) of Tigalabagayat village, Dodballapur taluk for constructing a pumpshed for water supply to the Dodballapur Town, I have the honour to state that it is proposed to acquire an extent of 3½ guntas out of the said survey number.

The anubhavadar of the land is a minor and his guardian has given a statement before the Amildar that he will not claim the compensation for the area occupied by the pump shed and that a compound wall may be put up between the shed and his garden so that there may not be any disturbance to him. The Sanitary Engineer has accordingly got fixed up wire fencing with 3 stands which is stated to be much cheaper than the mud compound wall.

The Amildar has estimated the value of land at Rs.175/- per acre as against the mahazar valuation of Rs.120/- per acre. As per Sub Registry Office references the lands have changed hands at Rs.500/- per acre. Although the party does not claim any compensation it is necessary to acquire the lands formally. Hence the Sanitary Engineer was requested to provide funds as per valuation of the Amildar and to counter-sign the declaration statements. The Sanitary Engineer has accordingly returned the statement duly countersigned.

In view of the urgent nature of the case, the Preliminary and Final Declaration Statements with instructions under Section 17 of the Land Acquisition Regulation have been obtained and enclosed in the records duly countersigned.

I request that the acquisition of the abovesaid land may kindly be sanctioned and that the Sub Division Officer, Dodballapur Sub Division may be appointed to

to perform the functions of a Deputy Commissi
acquisition under the Land Acquisition Regulation

I have the honour to be,
~~Sir~~,
Your ~~most~~ obedient servant,

DEPUTY COMMISSIONER,
BANGALORE DISTRICT.
